

Career Resources

Enhance your Career Transition Skills

For many learners, it's important to work on career transition skills alongside your course work. Here are some options we've put together to support the investment you've made to improve your appeal to employers.

Free Resources

- Resume builder: <https://www.resumenerd.com/>
- Virtual mock interviews for coders: <https://www.pramp.com/#/>

Low-cost Resources

- 1-year subscription to [Pearson Career Success](#) – \$22.75

What you will learn

- Discover a career path that fits your goals and desires
- Connect with jobs in the market
- Develop key employability skills
- Create or enhance a personal brand that supports your career goals
- Demonstrate your value and professional skills to employers through networking, resume development and interviewing

Free Workplace Competency Courses (UK English)

These workplace behavior courses provide bite-size interactive tutorials which will introduce you to skills employers value most. Pearson is making these courses available to our learners for **free** as the country is dealing with high unemployment due to COVID-19. Each course is between 1 and 2 hours in length.

<ul style="list-style-type: none"> • Accountability • Adaptability • Commercial Awareness • Decision-Making • Managing Own Personal Performance • Negotiating and Influencing 	<ul style="list-style-type: none"> • Problem Solving • Professionalism • Resilience • Self Management • Teamwork • Work Ethics

Pearson | Advance Courses Mapped to IT Certification Exams

Many of our IT Professional courses prepare you to take a certification exam. See the table on the following pages for how to find and schedule a certification exam.

Note: For AWS certification exams you can register for your exam here: <https://home.pearsonvue.com/aws> Choose "Schedule with Pearson VUE" when registering if interested in an online option or for the most in-person locations.
